***It takes all of us working together to help our youth grow closer to Jesus and to better understand the Catholic Faith!
 All families are asked to share their talent and time with our students.***

Please select at least one of the ways you can help below:

***Classroom Catechists:** Catechists, assistants and substitutes are given teacher books and curriculum outlines with suggested lesson plans, extra activities, etc. One doesn't need to know "everything" to teach, just a desire to bring our students closer to Jesus. Our catechists find they learn so much as they go along. Training and enrichment sessions help build confidence and knowledge, and all catechists (volunteer teachers and assistants) receive one student tuition discount. Staff are available to assist and support you.

All classes are onsite – please check preferred teaching role, indicate grade and circle or highlight preferred program(s).

Faith For Life Volunteer Opportunities

Catechist: You will be the main 'teacher/facilitator' each time you meet. We try to have an assistant in each room. Sunday School meets during the 10:30 Mass about 3 times a month. Children who meet on Tuesday or Wednesday nights (6:15 – 7:30) have a session about 3 times a month. Confirmation teens who meet on Sundays are normally here twice a month this session goes from 7:15 – 8:30 for grades 9 – 12. Catechist training is provided in the fall and winter plus coordinators give you ideas and resources throughout the year. You follow a curriculum. You need to be a practicing Catholic and help bring children/teens closer to Christ.

Substitute Catechist: You 'fill in' for a regular catechist when they need to be away.

Catechist Assistant: Assist the catechist each week with art projects, small group discussion or general activities.
